1915

A VENUE UNLIKE ANY OTHER

THANK YOU FOR CONSIDERING US TO HOST YOUR SPECIAL FUNCTION OR EVENT.

1915 is a “top-notch” venue unlike anything else in the region. Under the iconic North Geelong smokestack, within a century old red-brick boiler house, we’re serving up locally-sourced Mediterranean fare and crafting drinks for locals and out-of-towners.

More than just a (very) pretty face, we can offer you around 900sq meters of space and the ability to host and serve 500+ of your best, under our high vaulted roof as an entire venue.

Alternatively, you may prefer our large mezzanine area, with adjoining roofdeck, or our “Switch” room, for your exclusive booking. Essentially, we’re here for your events or celebrations of any size: weddings, birthdays, corporate events, special occasions and launch events.
