WHITE : 2021 Mallee Estate Chardonnay

Chardonnay really is the flavour of the month and back in fashion. This example however is not swamped with oak, rather just a tippie with excellent fruit concentration from stone fruits to melon and hints of tropical fruit. Very easy drinking.

RED : 2018 Mallee Estate Shiraz

2018 really was an EXCELLENT vintage across the eastern seaboard for shiraz wines. This is showing hints of bottle age with a delicious spectrum of red and dark berry fruit. Soft, silky and again very easy drinking.
